# GLOBAL PRESENCE

# OUR PREMIUM PSYLLIUM PRODUCTS

## PSYLLIUM SEED

Psyllium seeds are the whole, unprocessed form of the plant, valued for their mild cleansing effect and gentle support for digestive balance.

## PSYLLIUM HUSK

Psyllium husk is a natural source of soluble fiber that gently supports digestion and helps with regularity.

## PSYLLIUM SEED POWDER

Finely ground from whole psyllium seeds, this powder offers a smoother texture while retaining natural fiber benefits.

## PSYLLIUM HUSK POWDER

This ultra-fine powder is made from psyllium husk and is highly effective for increasing daily fiber intake.

# OUR PREMIUM SUPPLEMENTS

## TURMERIC POWDER

Rich in curcumin, our turmeric powder supports inflammation response and overall wellness.

## ASHWAGANDHA POWDER

A revered adaptogen in Ayurveda, ashwagandha helps the body manage stress, boost energy, and support restful sleep.

## MORINGA LEAF POWDER

Moringa leaves are rich in vitamins, minerals, and antioxidants. This nutrient-dense powder supports energy, immunity, and overall wellness

## AMLA FRUIT POWDER

Made from dried and finely ground Indian gooseberries, our amla powder retains the fruit's natural vitamin C and antioxidant content.

## BEEET ROOT POWDER

Naturally rich in nitrates and antioxidants, beet root powder supports heart health, circulation, and energy levels.

## GINGER POWDER

Made from dried ginger root, this warming spice is known for its digestive and anti-inflammatory properties.

## AMARANTH SEEDS

These tiny, nutrient-dense seeds are a rich source of plant-based protein, fiber, and minerals like iron and magnesium.
